# THE SPACE

Escape the office and host your next conference in The Headland Room at The Straddie Hotel — an exclusive conference space overlooking iconic Cylinder Beach, with panoramic views across the Coral Sea. Seating up to 100 guests, this unique coastal setting offers an inspiring yet highly functional environment for corporate events.

From the moment you choose The Straddie Hotel for your conference, our experienced team will coordinate every detail — from catering and beverage service to room layouts, AV requirements, and event flow — ensuring a seamless and productive experience for your attendees.

Hosting your conference on North Stradbroke Island also offers the chance to connect beyond the meeting room. Gather for welcome drinks in our hotel bar the evening before, enjoy a working lunch with sweeping 180-degree ocean views, or plan post-event networking sessions in our relaxed coastal surrounds.

We look forward to helping you create a conference that's as memorable as it is successful.
